

Columbus: compare the week you could make possible

Columbus, Ohio origin | Date: _____

The change I want in an ordinary week _____

Columbus connections I want to keep _____

My next observation and review date _____

My comparison	Place 1	Place 2	Place 3	Place 4
Actual home, entrance and useful rooms				
Dependable take-home income or funded period				
Recurring essentials and amount left				
Named work or course site and ordinary hours				
School, care, activity and agreed handoffs				
Complete journeys and the evening return				
A repeatable interest and independent day				
Columbus contact and planned visit costs				
Unrecoverable starting spending				
Deposits, tied-up cash and available reserve				
The gain, compromise and next condition				

Keep two to four possibilities and compare the same household needs. Use current terms for the actual arrangement, retain the source and date, and leave an unknown open with its next action. Separate the monthly remainder, unrecoverable starting spending, refundable or tied-up cash and reserve. Try an ordinary day and a less convenient season, then keep, revise or set aside each possibility with a reason.
